

## PROFILE

I'm a final year Creative Media Technologies student at Leeds Beckett University, specialising in UX/UI design and front-end development. During university I have become knowledgeable in numerous industry standard software's as well as having learnt a range of transferable skills in camera operation and video editing.

Although not in the creative field, my previous employers praised me for my dedication towards the job accompanied with my ability to learn practical skills quickly. My experience in the hospitality and retail industry assisted in growing my confidence in public speaking as well as providing me with on the spot problem solving skills.

## WORK EXPERIENCE

### F&B Server / Head Of Back Of House

Thornton Hall Hotel & Spa | Wirral, Merseyside | Mar 2022 - Sep 2025

Initially undertaking work experience in a serving capacity I was asked by hotel management after only 3 months to take the role as 'Head Of Back Of House'. It was my responsibility to ensure all food was delivered in accordance with the high standards they set. I was the first port of call to my co-workers in the kitchen with me and I delegated tasks to them accordingly.

This was a fast paced and fluid environment with demanding standards, it has helped me build on communications both with staff and customers alongside develop a calm and considered approach to problem solving.

### Retail Assistant (Fixed Term Contract)

Tesco F&F Clothing | Wirral, Merseyside | Nov 2021 - Feb 2022

This role included me managing inventory and planning delivery to the shop floor over the busy Christmas period. I also dealt first hand with customer queries, enhancing my communication skills.

## VOLUNTEERING

### President Of Friday Club

St Anselm's College | Wirral, Merseyside | Apr 2022 - Apr 2023

Friday Club is a extra curricular activity hosted at my sixth form college, it included inviting members of the local community who have special needs or learning difficulties to the college, where we would host events such as games nights for them each week. As president of this club I was accountable for the students who assisted in the evenings and I would plan, organise and financially manage the club as head of the committee. During my final month as president I conducted interviews for the succession of my position and advised the head of the college on how to move forward with the club after I had left.

### Under 13's Rugby Coach

Oxton Parkonians RUFC | Wirral, Merseyside | Jan 2019 - Apr 2023

I planned and ran training sessions for players as well as providing match support. This was facilitated by undergoing England Rugby Coach training.
